

May 16, 1977

LE 104, 108, LB 4

PRESIDENT: You have heard the motion. Record your vote. Have you all voted? Record.

CLERK: 35 ayes, 0 nays.

PRESIDENT: The resolution passes. Now we go to resolution #108.

CLERK: Legislative Resolution #108 is introduced by the Business and Labor Committee. It is found on page 2040 of the Legislative Journal. Read.

PRESIDENT: Senator Maresh.

SENATOR MARESH: Mr. President, members of the Legislature, this is the third in a series of contracts that are being approved by the Legislature. The first one was sent back to committee and no one appeared except for the people involved representing the Governor's office and the ASMF representative. None of the Senators appeared even though they were invited. The second one was automatically approved by the Legislature without any debate and this is the third one that has been read and it speaks for itself. So I move that it be accepted, that it be approved.

PRESIDENT: Any further discussion. The question then is the adoption of LR 108. Record your vote. Have you all voted? Record.

CLERK: 37 ayes, 0 nays, on the motion to adopt.

PRESIDENT: The resolution is adopted. We go to Select File. LB 4.

CLERK: Mr. President, LB 4 is a correctly engrossed bill. There was a motion to adopt carried to return to Select File. That motion is pending by Senator DeCamp. Mr. President, that amendment is found on page 1919. Mr. President, the Senator desires to withdraw this bill, this amendment. Inasmuch as it was returned for that amendment, the bill would have to be advanced then.

PRESIDENT: You are making the motion to advance.

SENATOR DeCAMP: Right.

PRESIDENT: Senator Merz, could you move over.

SENATOR DeCAMP: Only for the technical purpose of dealing with the other amendment which incorporates this one and a number of others.

PRESIDENT: Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman, not to have improper debate, but the bill was returned for an amendment he said was good. So would you mind if he would tell us what his other amendment would be that would incorporate the one that the bill was returned for.

CLERK: His longer amendment is on page 2009 of the Journal.

PRESIDENT: 2009?
